Adaptation of the USPE Sports Calendar due to the Covid-19 crisis in Europe

Dear Sir or Madam,

Dear Colleagues,

Due to the worldwide Covid-19 pandemic, the USPE has decided in summer 2020 to postpone all European Police Championships by one year.

You were informed about the adapted USPE Sports Calendar in an official USPE letter on 19th August 2020.

Unfortunately, the current situation in Europe still confronts us with great challenges. Measures to combat the pandemic have been increased in almost all USPE member countries. How the spread of Covid-19 will develop and what further decisions will be made regarding country-specific restrictions, entry regulations, quarantines, vaccinations and the implementation of sporting events cannot be predicted today.

In order to make an appropriate and responsible contribution and to protect the health of all involved as a top priority, an extraordinary meeting of the USPE Executive Committee was held on 26th February 2021.

www.uspe.org

In this meeting, the next steps regarding the organisation of USPE competitions were carefully and thoroughly considered on the basis of the latest developments.

After a detailed situation analysis and constructive discussion considering all elements, in which several variants of a renewed adaptation of the USPE Sports Calendar were reviewed, the USPE EC members unanimously agreed on the following decisions:

1. Postponement of the EPC Football Women 2021 in Trondheim/Norway to June 2022.
2. Cancellation of the EPC Basketball Women 2021 in Worcester/United Kingdom.
3. Organising the EPC Tennis from 01st to 08th August 2021 in Münster/Germany.
4. Cancellation of the EPC Cross Country 2021 in Minsk/Belarus.
5. Organising the EPC Cycling from 20th to 24th September 2021 in Chamblon/Switzerland.
6. Organising the EPC Swimming from 15th to 19th November 2021 in Moscow/Russia.
7. Postponement of the EPC Track and Field 2022 in the Czech Republic to 2023.

Please find attached the new adapted USPE Sports Calendar.

The organisation of each USPE EPC is of course dependent on the development of the pandemic.

A corresponding Covid-19 protection concept adapted by the organiser to the current and applicable regulations of the respective country will be attached to the Invitation to enter.

The participants will be informed in due time of any changes to the appropriate measures.

The corresponding Registrations, Invitations to Enter and Forms for the Championships are currently being revised and coordinated.

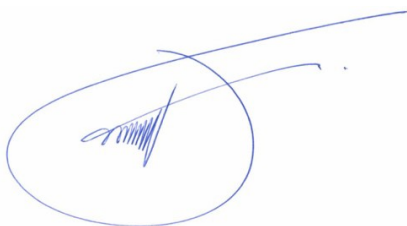

Extended registrations for the 9th USPE EPC Cycling from 20th to 24th September 2021 in Chamblon/Switzerland and the 16th USPE EPC Swimming from 15th to 19th November 2021 in Moscow/Russia can still be made until 20th March 2021. The Invitation to Enter for the 10th USPE EPC Tennis from 01st to 08th August 2021 in Münster/Germany will follow soon.

We would like to take this opportunity to thank the organisers for their understanding and commitment, which has made another adaption of the USPE Sports Calendar possible.

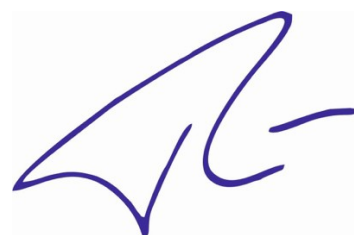

In this way, you help the USPE significantly and make an important contribution to the continued existence of the European police sport.

Thank you very much for your support.

Sincerely yours,

Luc Smeyers
President

Andreas Röhner
Secretary General
